

STATEMENT OF PURPOSE

RS27912 / S1402

This bill adds a new section to Idaho Code, Chapter 23, Title 67, stating all public entities may not enter into a contract with any company unless the contract includes certification that the provider of goods and/or services is not and will not be engaged in the boycott of goods and services from Israel or territories under its control. There is a floor of \$100,000 in value of fewer than 10 employees. The provisions of this section shall only apply to contracts renewed or entered into on or after July 1, 2020.

FISCAL NOTE

There should be no significant fiscal impact to the state General Funds. The acknowledgement would be required as part of the general contracting. Procedures will have minimal or no impact on the cost of providing such a contract.
